

Overview

The incredible adventure destination called Upper Dolpo- The country of behind the Himalayas- Trekking positioned on the western face of Nepal and is encountered as an unexplored destination which is less developed region. The geographic difficulty, Upper Dolpo Trekking is popular as a cut off trek which is sternly off limits. This is the reason why the tradition, as well as the life of people living near the Upper Dolpo, has been stayed behind unharmed and undisturbed. Upper Dolpo region is thereby celebrated as a land moving away from the elegant Himalayas and trekkers are called up for mysterious monasteries, blue sheep, and leopards. Upper Dolpo Trekking covers 5,360 meters as a lofty altitude. Upper Dolpo Trekking moves through different huge ranges of mountains like Dhaulagiri, Annapurna and Kanjiroba and some even move away from Lower Dolpo. Some of the core highlights offered by Upper Dolpo Trekking is the scenic airways from Nepalgunj and Juphal with the presence of Shey Phoksundo Lake and National Park. Trekkers will get to know the experience of passing from the Jeng La, Kang La and Saldang La. Shey Gompa, the popular Buddhist monasteries is another important thing to visit on this trek with other serene mountains, distinct cultures, and flora with fauna. Here, trekkers will be more encouraged sensing the wilderness of remoteness rather than being frustrated. Those villages situated in Upper Dolpo begin from 4,300 meters or even exceed than that.

We start our Upper Dolpo trekking after taking the domestic flight to Nepalgunj and catching another short flight to Juphal at an elevation of 2475 meter. And then real adventurous trek will begin from here, we trek towards Chhepka and Palam village passing the wonderful and unique small Reechi village and lush forest. The early next day after sharp rambling for about four hours and then from there, we can close-up view the highest waterfall of Nepal called Sunlight Waterfall or Phoksundo Waterfall. The local people following the Tibetan Buddhism and Bonpo area are the residents of this small Ringmo village. We will walk through a trail of the Oscar-nominated movie CARAVAN and get to Sallaghari from where the outstanding view of Annapurna, Dhaulagiri, and Kanjiwora Himal can be seen clearly. After walking through energetic uphill and downhill, we arrive at SheyGompa is a small village with few houses and monasteries. The SheyGompa was made in the 11th century underneath the gem peak, therefore it embraces important cultures and traditions to local peoples. And then walking ups and downs, then passing comparable adventurous trekking days, the trekkers trek towards Jomsom and flight back to Pokhara and Kathmandu.

Upper Dolpo Trekking is the land of mystery so moving there trekkers will get to know several unsolved things. As an activity sightseeing and elevated altitude, trekking is carried out as an adventure activity. In additional, trekkers have to walk six to seven hours per day with their Upper Dolpo Trek map. The Upper Dolpo is a restricted region, so trekkers need to take a special Dolpo trekking permit through authorized trekking agency with a professional guide for your disposal. Both Upper and Lower Dolpo, there are no fully well-managed accommodation and tea house facilities, thus trekker should stay overnight at camp and all tented accommodation will provide you with delicious meals

during the trek which serves our experience trekking chef and kitchen team. We will use all necessary cheerful porters and Yaks for carrying your luggage and foods trekking in Upper Dolpo. The best season to do a trek in Dolpo reason: at autumn in end of September to end of November and at spring in January to end of April. Irrespective, the expected beauty of picturesque sceneries, Himalayas, natural scenes and cultural position makes this Upper Dolpo region truly exciting and interesting. Thus, Nepal Glacier Treks always welcome you to visit the mysterious land of Upper Dolpo.
